- YEAR 2
- YEAR 3

HAVING GRADUATED, JOIN GLOBAL GRAD FOR TWO TERMS WHILST STUDYING AN ONLINE MASTER'S DEGREE

EXAMPLE 2

You want to study an entire bachelor's degree or other undergraduate course online.

1

YEAR ONE

First Global Grad term:

Enrol onto your chosen online degree and kick-start as a Global Grad in South-East Asia.

Remainder of the year: Head back home to work and earn money, continuing your online studies.

2

YEAR TWO

Second Global Grad term: Enjoy living and studying around Europe.

Remainder of the year: Head back home to gain external work experience and save money while continuing your online studies.

3

YEAR THREE

Third Global Grad term: Study in the Asia and Australia Global Grad location.

Fourth Global Grad term: Finish your degree in your final Global Grad location, for example, Africa.

By the end of your final Global Grad term, you will have studied for three years and completed an online bachelor's degree or other undergraduate course. In addition, you will have gained priceless life experience, work experience, and built a diverse and impressive CV, putting you one step ahead of your peers who have studied at a traditional university.
